

Release notes “MAN_CBANL_R2.1”

Overview

Release “MAN_CBANL_R2.1” for “Manual Filing Cross-border arrangements (CBA’s)” contains the following main change:

- GDPR partial deletion
- Business rules

Changed: One business rule of set type [NL]

GDPR partial deletion

A partial deletion can be performed by omitting one or more of the following data groups:

- RelevantTaxpayer
- AssociatedEnterprise
- Intermediary
- AffectedPerson

The last data group, AffectedPerson, was wrongly not mentioned in version 2.0 of the manual.

Business rules

Changed: One business rule of set type [NL]

[NL][RULE-0042] The root element of the Arrangement Chart of the Disclosure must either be a Person/Organisation, or set to Void.

[MSG-0042] *Either both* [Void] is set to ‘true’ ~~while~~ *and* the Person or Organisation in the Arrangement Chart is completed, *or none of these options have been completed.*

Explanation: The text of the message did not cover the rule. Only one of the options may and must be completed.
