Manual_WMBBIANL_0.9_Part_2_Specification_Data_File

Initial version

This manual is a draft and the first version for WMBBIA to be published. Unfortunately the OECD and EU have not published the functional and technical specifications yet. Therefor the business rules are not known and have not been included in this version of the Manual.

The specification for the Status Message have also not been published yet.

When the necessary specifications become available, a final version (1.0) will be published as soon as possible.

XSD_WMBBIANL_1.0_R20241105

The XSDs published by the OECD will be used by the Netherlands Tax and Customs Administration and have been included in this release:

- GLOBEXML_v1.0
- isoglobetypes_v1.1
- oecdglobetypes_v5.0
